SPEC +032290 Mettler Family Vineyards Estate Grown Petite Sirah 2014
(90% PS, 7% CS, 3% CF)

The Lodi micro-climate is excellent for growing Petite Sirah. The vineyards are organically and sustainably grown. The crop level was controlled using various viticulture techniques and was farmed with the latest biologically integrated farming system practices. 16 months in barrel.

"This giant of a wine has aromas of charred oak, wood smoke and black pepper, with a palate of dense, deep and smoky tones that feel thick, tannic and chewy. It's a tour de force of spicy oak, fruit concentration and mouth coating texture that's impressive to drink now but can be cellared until 2024." WE 93 pts
