

Appellation (AOP):

Touraine Chenonceaux (Cru)
Loire, France

Small Family Producers

Owned by the Davault family for six generations, Domaine de la Chaise is composed of 140 acres of vines located on the hillsides of Saint Georges sur Cher, the wine capital of the Touraine appellation (AOC)

Christophe Davault is the 6th generation winemaker, along with his son, Quentin, (up & coming 7th generation). Of course, Veronique, wife of Christophe and mother of Quentin, is in charge.

Terroir: The vines grow on siliceous slopes on the left bank of the Cher and its tributaries, on a layer of limestone.

Vinification:

100% Sauvignon
Sustainably Farmed
Vegan Certified
HEV Accredited

Touraine-Chenonceaux (AOP) is set around Loire Valley's most picturesque and iconic Chateau, of the same name.

One of the seven European vineyards, listed as World Heritage by UNESCO, the vineyards unfold as far as the eye can see. Fifty winegrowers passionately produce top of the range wines, the development of which requires precise and binding technical specifications, and marketing authorization subject to rigorous qualitative validation.

Tasting Notes:

Estate bottled. Classy & elegant with a purity and intensity of floral notes and restrained exotic and citrus fruit including pineapple, passion fruit and lemongrass. Golden colour with a complex minerality that rewards in a sophisticated wine balanced by acidity. Aging on fine lees, brings roundness and finesse

A perfect style of sauvignon, fresh and ripe, balanced with intensity that firmly brings you back to the Loire. Lovely.

Ready to enjoy, but can be aged up to 8 years.
