SUPER SPEC +870840 Touraine Sauvignon 2024 - whsl \$17.53

Most consumers know Loire Sauvignon Blanc because of Sancerre, but in Touraine the wines are a bit softer with more fruit and a mineral rather than grassy finish. The vines grow in on siliceous slopes on the left bank of the Cher. They rarely suffer from excess water stress and benefit from dry, free-draining rich soils.

This 100% Sauvignon Blanc –the signature grape varietal of the Touraine region–has been aged on its lees, in stainless steel tanks to bring richness to the wine.

A refreshing, crisp white wine. Very fragrant with pineapple, passion and grapefruit aromas. The palate is round and well-balanced with a nice, delicate minerality.

Appellation: Douro, Portugal

There are many legends that try to explain the name of this beautiful UNESCO World Heritage site. One of them says that, along the steep slopes, some shiny stones rolled down to the river, which they discovered to be of gold (Douro: of + gold). Another points out that the name may come from the Celtic word 'dur', which means water, but there is still another that tries to explain the name of the river with the Latin word 'duris', which means 'hard' and which could be an association with harshness of the landscapes that surround the Douro River.

Duris Selection has an intense ruby colour with violet tones. Aromas of red black fruits, slight floral with balsamic. In the mouth, it is a wine with a good volume, lively acidity and round tannins, with a persistent finish. During fermentation, gentle macerations are carried out.
