SUPER SPEC +870840 Touraine Sauvignon 2024 - BTC Direct \$22.99 x 12

Most consumers know Loire Sauvignon Blanc because of Sancerre, but in Touraine the wines are a bit softer with more fruit and a mineral rather than grassy finish. The vines grow in on siliceous slopes on the left bank of the Cher. They rarely suffer from excess water stress and benefit from dry, free-draining rich soils.

This 100% Sauvignon Blanc –the signature grape varietal of the Touraine region–has been aged on its lees, in stainless steel tanks to bring richness to the wine.

A refreshing, crisp white wine. Very fragrant with pineapple, passion and grapefruit aromas. The palate is round and well-balanced with a nice, delicate minerality.

In this, it is distinct from its neighbouring terrior, which are dominated by Kimmeridgean soils. HVE 3 (High Environmental Value) and EVE vegan certified.

100% Chardonnay @BCL on shelf \$38.99

Winemaker, Thomas Labille's, Notes: "The yield and quality of the 22 vintage was really good. From 29 year old vines in Beines, Prehy and the plateau behind the Grand Crus on Portlandian clay. Vinified 8 months in stainless steel and a little enamel for elevage. We have a big 10-hectare parcel, so we are looking for something easy to drink. Always a lovely PC and this vintage is no exception; attractive citrus and a touch of minerality, nicely mouth-watering, but not too much, structured and very delicious."
